YEAR 5 CAKE SALE PROCEEDS WILL GO TO RED NOSE DAY

MUSIC

There has been lots of great music going on this term: the KS2 choir children have taken part in Young Voices and Year Six are preparing for their PAN performance later in March, working hard to raise the quality of their vocal performances. Each year group continues to be provided with a wealth of musical experiences - Gospel and Keyboards have already given performances this year. Year 5 are improving well in their guitar lessons and our Year 6 Brass Ensemble is making great progress.

In Key Stage one, our Christmas musical was a true extravaganza, demonstrating how well the children can sing to perform. There is no end to our children's enthusiasm for music at Newchurch!

Joe Bowker Y5: Guitar club is great because you don't just learn how to play the guitar, you watch video clips about famous musicians and other musical things.

Cameron Clucas Y5: I liked how we learn Pirates of the Caribbean on the guitar.

William Connolly Y2: We are challenged by going at different tempos.

YEAR 2 LOWRY TRIP

What a wonderful time Year 2 had last Friday when they visited The Lowry Art gallery to look at the work of Laurence Stephen Lowry. After studying his art in class, the children got the opportunity to look at his actual paintings at the gallery. They particularly focused on the portraits he did and had the opportunity to create 3D portraits using modelling clay. Many thanks to Mrs. Huddart, Mrs. Lawton and Mrs. Ray (Class Governor) for giving their time so generously to accompany the children on their trip.

Heidi Lee: I enjoyed drawing a picture of L. S. Lowry's paintings.

Daisy Pryce: I wish that L. S. Lowry was still alive today because his pictures were like he was still here.

PAN

Don't forget to visit the annual Primary Arts Network exhibition at The Gateway opposite Warrington Town Hall. All the classes have been busy creating pieces of art and poetry inspired by the title given to all the schools: A Day in the Life of...Our exhibition is based on the life of a tree. Have you ever wondered what it would like to be a tree dancing in the wind and scorching in the sun? Have you ever imagined what a tree would say if it
