

**NEWCHURCH COMMUNITY PRIMARY SCHOOL**

19<sup>TH</sup> September 2017

Dear Parents/Carers,

**SCOOTER TRAINING THURSDAY 21<sup>ST</sup> SEPTEMBER 2017**

We have arranged for children in Years 2, 3 & 4 to participate in some scooter training here at school.

The purpose of the training is to encourage safe and active travel to school as part of a healthy, family lifestyle as well as to support the reduction in congestion outside the school. The training will take place on Thursday 21<sup>st</sup> September 2017 and each class will have a one hour session.

If your child has a scooter, we request that your child brings it with them as the training providers have a limited supply. Ideally we would like your child to bring a helmet with them for the session.

On the morning of the session, scooters can be left in the outdoor classroom. Please note that the sessions will still go ahead if it is raining, so please ensure that your child has a waterproof coat in school on this day.

We are sure that the children will really enjoy the sessions.

Kind regards,

Mr Singleton
