

# FRIDAY NEWCHURCH

30<sup>th</sup> June 2017

## SCIENCE WORKSHOP Y6

As part of our extensive transition work, Year Six have worked closely with

Dr. Birchall from the Culcheth High science department. The children have investigated elements of the chemistry curriculum and received their first taste of the equipment on offer in the secondary phase.

The week-long project started in Newchurch and introduced the children to new symbolism and resources as well as the importance of risk assessment. It continued at Culcheth High on Wednesday and Friday, where Year Six used Bunsen burners and various equipment to create drinkable water, then imagined they were farmers to test the chemicals using universal test strips.

Year Six demonstrated wonderful science knowledge throughout and showed that they are well-prepared for life in Key Stage Three.

## CULCHETH HIGH ARTS WEEK

The annual Year Seven arts week took place on Tuesday with Year Six being invited to witness the show. The children enjoyed sampling the work of the music, art, dance and food technology departments. The visit was based around

multiculturalism and started with a wide range of delicacies from around the world (which Year Six thoroughly enjoyed). The show then included Samba drumming, superb dance shows and an exhibition of Year Seven artwork. It was excellent to see so many former Newchurch pupils involved and presented with special awards at the end for their hard work and endeavour.

## Y4 GOSPEL ASSEMBLY

On Wednesday, the Year 4 children brightened up another damp summers morning with a beautiful gospel performance. They sang a repertoire of songs with wonderful harmonies and dance moves. There were some dazzling performances especially from the brave soloists who showed wonderful confidence and resilience to sing to a large audience.

They now look forward to performing at the Anglican Cathedral on Thursday for the Feast of Choirs concert.

**Mrs McLean:** Each performance just gets better and better. Really looking forward to Thursday!

**Chloe Howarth:** I really enjoyed doing my solo. It was lots of fun.

## PREMIER LEAGUE PRIMARY STARS

Thank you for the 34 parents who nominated us as part of the Premier League Primary Stars programme. We have won a free book box.

Newchurch Community Primary School
