 <p>Mystery Narrative</p>	 <p>Explanation Text</p>	 <p>Procedural Writing</p>	 <p>Children’s Choice Narrative</p>	 <p>Non-chronological Report</p>
<ul style="list-style-type: none"> • Use expanded noun phrases to convey complicated information concisely. • Describe settings, characters and atmosphere. • Integrate dialogue to convey character and advance the action. • Use accurate speech punctuation and inverted commas to punctuate direct speech. • Use accurate relative clauses which begin with relative pronouns: who, which, where, when, whose • Maintain tense and degrees of formality • Use a dictionary and thesaurus to check the meaning of words and expand vocabulary. 	<ul style="list-style-type: none"> • Using commas to clarify meaning. • Use accurate relative clauses which begin with relative pronouns: who, which, where, when, whose • Use punctuation for parenthesis: brackets, commas, dashes. • Maintain tense and degrees of formality • Identify and use determiners • Use a dictionary and thesaurus to check the meaning of words and expand vocabulary. 	<ul style="list-style-type: none"> • Use passive verbs effectively to vary the structure of sentences. • Using commas to clarify meaning. • Use punctuation for parenthesis: brackets, commas, dashes. • Use adverbs to indicate degrees of possibility e.g. perhaps, surely; and modal verbs e.g. might, should, must • Maintain tense and degrees of formality • Identify and use determiners • Use a dictionary and thesaurus to check the meaning of words and expand vocabulary. 	<ul style="list-style-type: none"> • Use expanded noun phrases to convey complicated information concisely. • Describe settings, characters and atmosphere. • Integrate dialogue to convey character and advance the action. • Use accurate speech punctuation and inverted commas to punctuate direct speech. • Use accurate relative clauses which begin with relative pronouns: who, which, where, when, whose • Maintain tense and degrees of formality • Use a dictionary and thesaurus to check the meaning of words and expand vocabulary. 	<ul style="list-style-type: none"> • Using commas to clarify meaning. • Use punctuation for parenthesis: brackets, commas, dashes. • Use adverbs to indicate degrees of possibility e.g. perhaps, surely; and modal verbs e.g. might, should, must • Maintain tense and degrees of formality • Use a dictionary and thesaurus to check the meaning of words and expand vocabulary.

Mathematics:

Along with our arithmetic and calculation skills we will be looking at the following areas of the curriculum:

We will be looking to master a wide range of targets linked to these areas, such as:

- Decimals to 2 decimal places
- Decimals as fractions
- Using thousandths
- Rounding decimals
- Order and compare decimals
- Percentages as decimals and fractions
- Finding the perimeter of rectangles, rectilinear shapes and polygons
- Finding the area of rectangles and compound shapes
- Estimating area
- Drawing line graphs
- Reading and interpreting line graphs
- Using two way tables

Physical Education:

Our teamwork and knowledge of invasion games will be challenged as we develop our handball skills this half term.

We will also be developing our gymnastic skills each week. We will be working on our balance, creativity and ability to form sequences.

Geography:

We will be considering the importance of the oceans for life on earth. This will include key features of the oceans and how mankind has had a negative effect on this resource.

History:

We will be developing our knowledge of the Saxons by looking at one of their main rivals this half term: the Vikings. We will look at their lives, achievements and impact on the world.

Useful websites:

Design Technology:

We will be using our World Book Day celebrations to inspire our next design topic. Taking to the kitchen, we will be designing our own truffles, including packaging and advertising.

Once we have made our own truffles, we will hopefully manage to take some home before we eat them!

Religious Education:

Christianity

In RE, we will be looking at Christianity and how teachings and texts help us to make links between God and our everyday lives. We will be looking at learning about religious belief and then considering what this looks like in the modern world.

Useful websites:

PSHE:

'Media literacy and digital resilience' and 'Money and Work'

This half term we will be looking at how we can develop ourselves through our digital media and money units. We will be investigating how to look after ourselves as we get older.

Useful websites:

<https://www.bbc.co.uk/bitesize/topics/zfqqtfr>

Languages:

Clothing

Whilst we are transitioning to the Spanish language we will continue to investigate new language and sentence features. We will be using our written and spoken language to look at words linked to what we wear.

Computing:

STEM – Computer Science

The competition will be really heating up in class this half term as mixed gender teams will pit their wits against one another in a series of design challenges all aided by, recording with or reviewed on digital media. The winners will receive some great science and STEM based prizes too.
