

# FRIDAY NEWCHURCH

22<sup>nd</sup> June 2018

## LIFE EDUCATION VAN

This week, each class has had the opportunity to visit the Life Education Caravan. The children had sessions to teach them about health, wellbeing and drugs education and to encourage them to make healthy choices. The trained educators used evidence-based, interactive, creative methods and resources to stimulate the curiosity and imagination amongst the children and they all enjoyed their visits very much.

### Reception

**Natalie:** I liked learning about the body parts and seeing them light up.

**Westley and Lily-May:** We like watching Harold on the TV and he sang us a song.

### Year 1

**Will:** I liked telling Harold what healthy foods were.

**Harriet:** We learned about how to keep ourselves healthy.

### Year 2

**Adam:** It was really good because she taught us how to help people.

**Olive:** I loved it because it taught me new things like how our lungs move up and down.

### Year 3

**Daisy:** It was fun learning about organs in your body and how they work.

### Year 4

**Jamie:** I enjoyed finding out about the awful effects of smoking on the human body.

### Year 5

**Rosie:** It was interesting to learn facts about the human body but it was also good to understand the importance of having our own opinions and being able to say 'no'.

### Year 6

**Ailsa:** I liked how the boys stuck up for Jack who didn't want to drink alcohol. It showed us how to support each other.

**Jack:** We learned about drugs and how some of them can help people with illnesses.

## SWIMMING Y3 Y4

Year 3 and 4 are now two weeks into their intensive block of swimming lessons and the progress that has already been made is fabulous. Children are becoming increasingly confident in the water and developing a range of strokes with some beautiful technique on display. This week's focus has been 'Water Safety' and on Wednesday the children were fortunate enough to have watched a water rescue demonstration from the Cheshire Fire and Rescue Service. They then all took part in vital life-saving tasks which included using the 'Shout, Reach, Throw' technique and even having a go on the life raft. With plenty of lessons still to come, we look forward to seeing the children's swimming skills continue to progress.

## DIGITAL LEADERS

We have appointed three digital leaders in school to help all pupils succeed in their computing skills. Their responsibilities will include supporting others, helping make decisions about the computing curriculum and celebrating all of the great things going on in school. Our digital leaders will start their role immediately and continue into the new academic year.

Welcome to our new Digital Ambassadors:

**Austen Y4**

**Lily Y4**

**William Y4.**

Newchurch Community Primary School

If you have any concerns about Child Protection or Health and Safety,  
Please contact school

# POND AREA

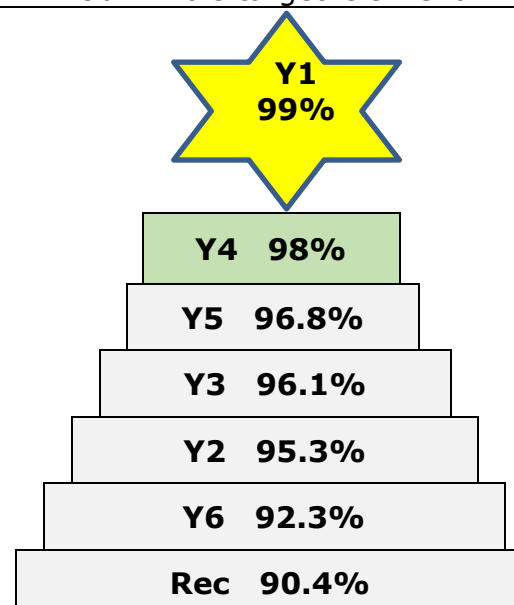

We just wanted to say a huge thank you to Mrs Haland and her team from BT Mobile Warrington. They came into school last Friday as part of their community day and they cleared the pond area. They all worked so hard and they have made a real difference. We can now actually see a pond! This enables us to be ready for the next stage in our pond regeneration.

## READING LADDER w/e 22<sup>nd</sup> June 2018

	<b>Y4 86%</b>	-
	<b>Y3 76%</b> <b>Y5 76%</b>	+ -
	<b>REC 71%</b>	-
	<b>Y1 65%</b>	+
	<b>Y2 64%</b>	-
