

NEWCHURCH COMMUNITY PRIMARY SCHOOL

16th June 2017

Dear Parent,

The teaching of Sex and Relationship education (SRE) at Newchurch Community Primary School will be taught during this half term using an integrated and consistent approach, as it is an important aspect of pupil's education. Sex and Relationships education includes supporting young people in developing self-confidence and preparing for the physical and emotional changes into adulthood. We believe that the teaching of SRE is shared with parents and should be mutually supportive and complementary. It is taught within our core values theme 'Reflectiveness' and through PSHE (Personal, Social, and Health Education).

A copy of the SRE planning has been uploaded under the 'Curriculum' tab on the school website. This gives details of what the lesson will cover. Although the children will naturally ask questions, class teachers will not deviate from their age related content.

Parents and carers have the right to withdraw their child from some parts of Sex and Relationships education, but not statutory science lessons. The lesson will take place week beginning 10th July. If we do not hear from you before this date then your child will be included in the lesson. If you would like to discuss any of the contents of this letter, please feel free to talk to the class teacher or myself.

Kind regards,

Mrs Sara Lawrenson
