

FRIDAY NEWCHURCH

28th April 2017

YEAR 5 UPDATE

This week in Year 5, we have started our North America topic. We can now name all of the countries in this continent and some of the major cities. As well as this, we have been learning about the physical and human features in North America e.g. The Rockies, The White House, The Empire State Building and Niagara Falls. We now have the challenge to choose a physical and a human feature to study further and to produce a tour guide. In English, we have been learning about rap music from North America. This week we have planned and written our own 'Newchurch Rap' and we have performed them in a rap battle. It was very competitive! Next week, we look forward to starting our novel 'Queen of the Falls' which is set in North America.

Jensen Butterworth: I liked looking through the atlas to find the North American countries.

Isabelle Buffey: It was fun to see what other people had come up with and seeing the rapping actions to match their rap.

REMINDER ONLY 4 DAYS NEXT WEEK.
SNACK IS £2
DINNER MONEY IS £8.80 FOR THE WEEK.
THANK YOU.

SEPTEMBER INTAKE

We are starting our preparations for our new Reception children in September.

There are limited places still available to join our Newchurch Family.

Please contact the office for any further information.

POETRY COMPETITION WINNER

Congratulations to Leo Howard in Y5 for winning the May Day Poetry Competition. The presentation will be made from about 3.00pm on Monday 1st May, on Culcheth Green, by the Parish Council Chairman and the Deputy Mayor of Warrington. All the entries of poems and pictures, including Reception's fantastic maypole, will be displayed in Culcheth Library.

RECEPTION TRIP TO LINEAR PARK

On Wednesday morning, the Reception children had a gorgeous spring walk through Linear Park. The children spotted lots of mini beasts, beautiful spring flowers and a variety of blossom. Their behaviour was exceptional. In the afternoon, the children made flower crowns, boats and leaf mobiles using the natural objects that were collected along the walk. Thank you so much to all the parent helpers that came along to support the children's learning.

Ruby Hulme: I loved going on our trip to the linear park.

Alfie Ashmore: I liked seeing the bluebells.

CHESHIRE CRICKET CLUB

Excitement swept through Year 1 and Y2 on Wednesday afternoon as Mr Singleton shared the news with us that a coach from Cheshire Cricket Club would be coming to work with us! We took part in a range of activities from the 'All Stars Program' which developed throwing and catching skills as well as teamwork skills.

Alexander Warburton Y1: I liked to play with the cricket bat and ball.

Lewis Arnold-Kew Y1: I liked the games that helped with cricket.

Macy Booth Y2: I really enjoyed the cricket. I'd never done it before so it was really good to try it.

Newchurch Community Primary School
