

FRIDAY NEWCHURCH

5th May 2017

PTA COMMUNITY LITTER PICKING

What a great day and super turn out for the Community Day litter picking event. All our litter pickers were fantastic and soon cleared up the area. A big thank you to all involved and to Sainbury's for donating bottles of water and biscuits for refreshments.

YEAR 4 UPDATE

The Summer term is now well under way and the Year 4 children have been enjoying learning about new topics. Sound is the area of learning in science where the children have been using a range of musical instruments to identify how sounds are made and how they make their way into our ears. They also investigated the different types of sounds which can be heard from different areas of the school.

Through Topic lessons the children have been exploring the work of Antoni Gaudi, the famous Spanish architect. They have commented on his unusual style of design and are now working towards detailed sketches of his designs before using clay to make miniature models of buildings such as Sagrada Familia and Casa Batllo. Mr Singleton has been really impressed with the resilience of the children during this topic as they have taken real pride in their sketching and have been happy to make changes to further improve their artwork.

Rachel Leadbeater: I enjoyed sketching different sculptures of Gaudi and colouring them in.

Alex Wilson: I enjoyed learning about Antoni Gaudi. He is now my favourite artist.

VOLUNTEERS

On behalf of the children, staff and governors, we would like to extend our sincerest gratitude to all those who generously give their time to the school. Regardless of if you can spare an hour a week, a morning/afternoon a week, or indeed a session every day, your support is of great benefit to the children. Thank you! Should you wish to become a volunteer, please speak to Mrs. Narraway.

NEWCHURCH CD

We were extremely excited this week to announce that our school will be recording a CD in June. We will be practising hard to make sure that the tracks we record sound amazing. Every child will be performing as part of their class, their Key Stage and as a whole school. We can't wait to judge the entries of the CD cover artwork competition, so don't forget to get your entry in by Wednesday 10th May!
