

Pupil absence data below is provided by the DFE

Academic Year 2012 / 2013

	Newchurch Primary	England - National (primary state-funded)
Overall absence: percentage	3.0%	3.7%
Persistent absence: around 15% +	SUPP	3.4%

Academic Year 2013 / 2014

	Newchurch Primary	England - National (primary state-funded)
Overall absence: percentage	2.6%	3.5%
Persistent absence: around 15% +	SUPP	1.1%

Academic Year 2014 / 2015

	Newchurch Primary	England - National (primary state-funded)
Overall absence: percentage	3.0%	3.7%
Persistent absence: around 15% +	SUPP	1.2%

SUPP- Means figure is too low for DFE to report/compare.

The new statutory guideline for 2015/2016 now means the persistent absence threshold will be reduced from 15% to 10%.
