

# FRIDAY NEWCHURCH

21<sup>st</sup> April 2017

## YEAR 6 UPDATE

With SATs rapidly approaching, the children of Year Six are working hard on revision techniques. They have demonstrated that they are ready to ace their tests and that their commitment to their learning is fantastic. The children will face Reading, Grammar, Spelling, Mathematics and Arithmetic papers – all of which they are preparing well for.

In lighter news, the children visited Liverpool before half term to study the architectural features in the city. Their understanding and attitude was superb as they investigated materials, methods and usage. Their awareness of how the world has been constructed around them is testament to their knowledge of building techniques and changing historical periods. After SATs, the children will be developing this further through design and building projects. We cannot wait to see their projects!

**Matthew Knight:** I am working really hard on preparing for my SATs tests.

**Tyler Beresford:** We saw lots of cool architecture when we went to Liverpool. There were some really modern and some classic buildings.

## WELL DONE CORNER

Aaron Lavelle Y5 has been selected as a Cheshire County U12's boys golf squad player, one of only twelve players. He begins this exciting journey on 13th April at Royal Liverpool Golf course. Well done Aaron for all your hard work and commitment. *Well done to Sierra Maloney and Jamie Saunders for an outstanding Easter performance of "The Wedding" and completing a 2 year award at Helen O'Grady Drama Academy.*
