

FRIDAY NEWCHURCH

16th September 2016

TIME TO SHINE!

At Newchurch, we are always eager to give children the opportunity to showcase their abilities. This year, we aim to support and enrich the curriculum to allow children, with particular abilities across the whole curriculum, to be challenged further. Over the course of this term, we will work together to share good practice and staff expertise whilst also collaborating with other schools to give children the chance to become masters of different subjects. In turn, we hope to continue to raise standards and prepare the children of Newchurch to fly high!

HEALTHY LIFESTYLES

After the huge success of Healthy Lifestyles week earlier this year, we at Newchurch decided that opportunities to promote an active lifestyle would run throughout the entire year! As well as the new and exciting Active Lifestyles club, which will eventually run at lunchtimes as well as after school, there will also be lots of other fantastic events taking place. Over the course of the year, there will be educational workshops to highlight the importance of exercise and a balanced diet, children vs parents sporting events, motivational guests and much more.

YEAR 5 UPDATE

Miss Whittles: We have been working hard this week in year 5. In English, we have been learning about the features of a legend and in maths we are working on adding and subtracting large numbers. I have been impressed by the resilience shown by the class.

Cameron Clucas: In year 5 I really enjoyed our first guitar lesson because it gave us a taster of a new instrument.

Katie Carroll: I really enjoyed the guitar lesson because we got to learn our first song. I liked our topic work on counties and exploring where Saxon's invaded.

PLAYGROUND UPDATE

You may have noticed the developments with the playground since we have come back to school. We are very grateful to the PTA for tirelessly fundraising for this, and cannot wait until it is ready for the children to play on.

Ben Morton's dad is taking part in a charity **Bike Ride Challenge across Vietnam and Cambodia** in November in aid of **Save the Children**. His Company, Mitsubishi Electric, are sponsoring all of his travelling costs so all monies raised will go directly to Save the Children. This is a great charity that looks to improve and save lives of children living in poverty, not only around the world but also here in the UK. *There will be a fundraiser evening at the Daten Sports Club, with a live band, "The Blame", a Raffle and Auction. Tickets are priced at £10 and are available at the Daten, Forget me Knots toy shop or through Mrs Morton on the playground.*
