

NEWCHURCH COMMUNITY PRIMARY SCHOOL

8th September 2017

Dear Parent,

As we did last year, we would like to hold a series of parent workshops which will help you support your child at home and continue to work in partnership with you to enable us to raise standards at Newchurch. We have taken into consideration the feedback from parents who attended the workshops last year and have revamped them to meet the requests made. Should any workshops be less than the stated minimum, then it will not go ahead.

Kind regards,
