Y3 UPDATE

Over the past few weeks, Year Three have been learning about Ancient Civilisations and their greatest achievements. I have been astounded each week by what they remember and the progress they have made. Our journey started by researching the seven wonders of the world, before searching for Ancient Civilisations. Although they started one lesson with only a small amount of knowledge, they ended it with the confidence to take part in a Great Debate! The children have used a range of skills, from atlas work to Google earth. I'm looking forward to delving into a deeper study of Ancient Egypt!

Nathan Anderson: I enjoyed the debate about which was the best civilisation because you listen, take on board what they say and use it!

Lily Dewison: I liked having the role of gathering information from other children.

Y4 GOSPEL ASSEMBLY

On Wednesday this week, the Year 4 children brightened up our day with a wonderful gospel performance. In front of the entire school and lots of supportive friends and families, the children battled their nerves to put on a fantastic show for everyone to enjoy. The children sang a number of songs and danced along brilliantly. We look forward to seeing them perform again later this term. A big thank you to everyone who came to watch and support the children.

Joseph Dewison: I really liked how I was able to use the full range of my voice throughout the performance.

Esmail Wright: I enjoyed singing in front of all of the parents and liked performing each and every song.

Paul Chamley: It was good to see the children smiling and enjoying themselves. There were some great dance moves!

SOCIAL MEDIA REMINDER

Just a reminder that NO photographs or videos, taken on the school premises, should be uploaded to any social media platforms. This is to safeguard all of our children.

ALTERNATIVE PARKING AND MORE POLICE ADVICE

The police advise **you not to park on the footpaths** around school when dropping off or picking up. This could cause an obstruction for pedestrians.

If you have any concerns about Child Protection or Health and Safety,
Please contact school

The PCSOs have contacted the CPS landlord who has kindly agreed that parents can use their car park during picking up and drop off times without any repercussions. Please can parents make use of this kind offer and keep the local streets clear.

Thank you for your support.
