

FRIDAY NEWCHURCH

14th July 2017

BUGSY MALONE

Thursday evening saw the culmination of Year Six's work on Buggy Malone. The children performed brilliantly, tackling a complex and challenging script. They were delighted to be supported by a wonderful audience of family and friends. The show highlighted the children's wonderful singing and acting skills, with memorable performances across the entire class. They also showed superb resilience when needed and were a credit to everyone. The hard work they have put in over recent weeks has been amazing – to learn a play within four weeks is astounding and I am sure those who could make it would agree how brilliant they were.

Alex Leadbeater: It was really, really fun seeing how well everyone had learnt their lines, then performing in front of everyone in such a big place.

Isabella Shaw: It was fun using the car props. I liked it when Ben Cooke and I had to meet on stage and have an argument.

Y4 TO BEESTON

On Tuesday, the Year 4 children embarked on a much anticipated residential adventure to Beeston. Departing first thing in the morning, we arrived at our first destination, Bunbury Mill, to explore a Victorian flour mill which is still in use today. Here, the children were able to explore the mill and operate some of the machinery. In addition to this, the children also made wooden replicas of the flour sack hoist and also their own bread which was cooked and eaten with their evening meal.

In the afternoon, we arrived at the Beeston centre and battled the elements to build some fantastic dens out in the woods then later on completed problem solving activities. On Wednesday, the beaming sunshine provided a perfect backdrop for our trek through the woods and up to Beeston castle. The children thoroughly enjoyed exploring the castle and in particular, the caves and the bridge.

The group arrived safely back at school ready

for home time on Wednesday and ready for bed after a tiring but very enjoyable and memorable trip.

Mrs Urmston: The children had a wonderful time enjoying all that Beeston had to offer.

Savannah Maketo-Baines: It was extra special because it was also my birthday. I really enjoyed sharing my birthday cake with all of the class.

Rosie Rendell: My favourite part was when we arrived at the castle. I enjoyed exploring the grounds.

Y1 SMITHILLS FARM VISIT

Year 1 didn't let the rain dampen their fun as we visited Smithills Open Farm on Tuesday. We got off to a rather bumpy start as we took a tractor ride up to the top field to feed the donkeys. Next it was time to feed the rest of the outdoor animals - sheep, goats and deer. Before lunch, we bottle fed the lambs and had lovely cuddles with baby rabbits, chicks, puppies and a baby alpaca. After lunch, we watched the cows being milked and rounded off the day with donkey rides!

Mrs Wormleighton: I loved your enthusiasm and engagement Year 1, well done!

Oliver Delacoe: I loved the tractor ride and the bumpy bits.

Jessica Tryner: I liked the donkey ride and the noise of the donkey's feet.

**WE HAVE A MIDDAY ASSISTANT
VACANCY TO JOIN OUR TEAM
IN SEPTEMBER.**

PLEASE SEE DETAILS ON WEBSITE.

WELL DONE CORNER

Congratulations to Cameron Clucas, Y5, who was awarded Cub of the Year at 12th Warrington East (1st Birchwood) Cub Scout Pack.

Lisa Lawton: In Y2, Trystan Jones, Seb Lawton and Angus Sinclair play rugby U7's for Culcheth Eagles rugby club. The Warrington club Challenge Cup covers all under 7's rugby teams in Warrington. The Eagles got through to the final last Friday to

Newchurch Community Primary School

**If you have any concerns about Child Protection or Health and Safety,
Please contact school**

play at Warrington stadium and won the match against Woolston Rovers to win the cup and receive a medal each!! Well done to our little eagles.

WARRINGTON ORAL HEALTH PROMOTION TEAM

are currently working with the Primary schools in Warrington to set up a toothpaste and toothbrush distribution scheme. This is being offered to all **Reception and Year 3** children. Their main focus will be promoting the use of family fluoride toothpaste amongst young children, as there is clear evidence to support the effectiveness of fluoride in reducing dental decay. (Delivering Better Oral Health; DOH 2009)

There is no fluoride added to the water supply in Warrington. Many young children in Warrington still experience high levels of tooth decay. Associated with this is severe pain, sleepless nights, time off school to attend the dentist and often removal of teeth. They aim to encourage young children to become more independent and take more responsibility for their health.

All children taking part will be provided with toothbrush, toothpaste and an information leaflet and will receive one pack every 3 months.
