Headteacher: Mrs S Lawrenson

3<sup>rd</sup> May 2018

Dear Parent,

Thank you to all those parents who are working so hard to help us alleviate the amount of traffic outside the school entrance. We are really beginning to see a difference.

To help us take our mission one step further, Newchurch has now signed up to be part of the Modeshift Stars scheme and have received a lovely scooter park as a result.

Modeshift Stars is the national schools awards scheme that has been established to recognise schools that have demonstrated excellence in supporting cycling, walking and other forms of sustainable travel.

The scheme encourages schools across the country to join in a major effort to increase levels of sustainable and active travel in order to improve the health and well-being of children and young people.

In order to achieve the award it requires a Modeshift Stars Team made up of a member of the Senior Leadership Team, a governor, pupils and parents. Mrs. Narraway will be the lead on the Senior Leadership Team and our Junior Safety Officers will form the pupil voice. If you are keen to be part of the team, then please complete the expression of interest below by **18<sup>th</sup> May** and Mrs. Narraway will contact you. The commitment to the role would involve a meeting once a term during the school day to enable us to include the pupils.

Thank you in anticipation of your continuous and valued support.

Mrs Sara Lawrenson  
Headteacher
