

7th September 2018

Dear Parent/Business

At Newchurch Primary School we are always looking for new and inventive ways to deliver a quality curriculum and interesting experiences to our children. In the past we have received wonderful support from the local community and its businesses.

Our latest project is related to enterprise and developing the children's creativity, understanding of personal finances and knowledge of career paths. This Enterprise Week will run from 24th September and will include a range of challenges and opportunities for the children. We are writing to you to see if you feel that you would be able to support our latest project in any way. We recognise that our parents have a huge wealth of experience and work in a wide range of industries. We are looking to tap into this wonderful resource. There are many ways that you can offer your support: this may be through guided sessions, where you teach the children about an aspect of your role, some practical experience, either in school or at your place of work; it really is a chance to be creative. Our children have a wide variety of interests, so please do not assume that they will not be interested in your role. You can speak to children for 5 minutes, every input is welcomed.

We would love to hear from you if you have any suggestions or if you wish to volunteer your time or resources. We are really looking forward to working with our parents, welcoming new opportunities and offering amazing experiences to your children.

If you are interested, please fill in the form below or contact school either via email (newchurch_primary@warrington.gov.uk) or phone us on 01925763427.

Thank you for all of your past and future support.

Yours sincerely,

Mr J. Duckett

RE: Enterprise Week 24.9.2018

I would love to be involved in the Newchurch Enterprise Week. My ideal time to come in would be (Please state days and AM or PM):

Available on: _____ Job Title: _____

Print: _____

Sign: _____
