

FRIDAY NEWCHURCH

14th June 2019

HEADTEACHER FOR THE DAY

Congratulations to Tyler McLean for winning the Y6 draw to become Headteacher for the day.

Tyler: I am looking forward to working alongside Mrs Lawrenson on 26th June.

CRAZY SCIENCE RE ASSEMBLY

Thank you to Reverend Stafford and Carol for delivering another fantastic assembly. The story we listened to was about Pentecost. Reverend Stafford showed the children lots of amazing science experiments, which included moving a wheel by the power of hot water and steam, amazing memory metal that was able to return to its original shape, listening to sound through a strip of plastic and a cup and finally watching a drawing disappear. As always it was a fun-filled assembly which was thoroughly enjoyed by both children and staff.

Ben Year 2: I liked it when Rev Stafford scrunched up the metal and put it in hot water and when he took it out, it pinged back to what it looked like first.

Isla Reception: I liked it when we saw the picture disappear by blowing it with a hairdryer.

SWIMMING Y3 AND Y4

It's that time of year again when the children from Year 3 and Year 4 head off to Woolston Leisure Centre for their swimming lessons. The intensive ten session block, which takes place over the next three weeks, is an excellent opportunity for the children to develop their confidence in the water, swimming technique and awareness of how to stay safe in water.

Although we have only had a couple of sessions so far, we have seen huge

improvements from the children and their confidence is coming on in abundance. The children have also been very impressive in the ways in which they have conducted themselves whilst out in public. Swimming with friends can be very exciting but they have still maintained high levels of maturity and represented the school impressively.

Harry Year 3: I am really enjoying learning how to swim.

Grace Year 4: The teachers are very good at explaining things. We practise over and over again until we feel confident and then we don't use our floats. After 2 days of lessons I can now swim!

MUSIC UPDATE Y3

This half term in music, Year 3 have spent time composing their own music and creating lyrics to match it. In order to compose their own music, they have spent time listening to different pieces of music whilst expressing their likes and dislikes. As well as composing their own music, they have spent time rehearsing and learning new songs for the up and coming assembly on Friday 12th July.

Imogen: I enjoy music because we get to learn new songs that we didn't know.

Rowan: I enjoy playing and singing the songs we are learning.

KS1 RUGBY LESSONS

On Wednesday Reception, Year One and Year Two had their first of six rugby lesson that was delivered by Danny from Warrington Wolves. The children thoroughly enjoyed learning how to hold the rugby ball and how to travel with the ball. They all looking forward to next Wednesday for their next rugby experience.

Newchurch Community Primary School

01925 763427

Headteacher: Mrs S Lawrenson
