7<sup>th</sup> July 2021

Dear parent/carers,

### Transition day Thursday 8<sup>th</sup> July

Every member of staff is eagerly awaiting tomorrow when they get the opportunity to work with their new classes. They have lots of creative and exciting plans in place to help them get to know the children well in preparation for September.

In the morning, the children will enter school in the normal way and go to their usual classes where they will have the register taken, select their lunch option and then at a designated time, the children will move to the next class. Just to reassure you, all tables etc. will be sanitised before the next group of children enter it. At the end of the day, the children will leave in the normal way.

As part of today's assembly, each class have been provided with a worry jar for them to collect any worries they may have about the next step in their learning journey. The teachers will then address these during the day so the children feel reassured and confident about next year.

We will still be doing this with our Year Six children and hope to clarify anything they need to know about the high school they are attending. For those going to Culcheth High School, Kathryn Butler (Head of Y7), has informed us that there will be an induction link going live tonight at 5:30pm on the school website which will provide information for our Y6 Newchurch Robins.

### Sports Day

Dare I say that at the time of writing this letter I can see a little bit of hope on the horizon weather wise? It is hoped that the sports days will go ahead on the scheduled days. As sometimes our field can be water logged, it will be inspected at 7:30am on Friday and Monday morning to assess the safety and conditions. We will send a text out no later than 8:00am to inform you if the sports day is going ahead, or cancelled. Fingers and toes crossed!

If the sun is shining, please ensure your child has sun cream on, a sun hat and a filled plastic water bottle. If the weather is chilly, a hoodie or a light coat would be advised.

LOTTERY FUNDED

## Reports

End of year reports will be sent home on Tuesday 13<sup>th</sup> July with your child in paper form. There will be an opportunity to respond to the report via a google form: the link will be placed on the letter which comes out on the same day as the report. If you share responsibility for your child and require duplicate copies of the report, please email the school office and request a copy **before** Tuesday 13<sup>th</sup> July.

Wishing you all a lovely day!

Kind regards,

Mrs Jayne Narraway

Head Teacher
