

# FRIDAY NEWCHURCH

8<sup>th</sup> November 2019

## PTA AND LIBRARY

We are delighted to inform you that we are a step closer to developing the school library. The overall cost of the project will be £2,500. With the commitment and dedication of the PTA members, and your attendance at the Monster Ball, we are £500 further to reaching our goal. Thank you so much. Our school librarians are going to be working hard over the next few weeks to move the books over to their new location and soon you will start to see the library take shape. Remember, everyone is part of the PTA. There are many roles that you can have. At parents' evening later this month, a display will be available showing all the different roles of PTA members. Perhaps there will be something there that you fancy doing to support the school.

## PARENT BOARD

On Wednesday, the Parent Board met to discuss the following:

- Parents' evening organisation
- Communication
- Homework content
- Residential visits
- Workshops

It was an informative meeting and ideas will be sent out for consultation in due course. Watch this space.

## A MESSAGE FROM OUR JUNIOR SAFETY OFFICERS

On Monday, we were very fortunate to be supported by PCSO Samuel in delivering our November safety bulletin to everyone in assembly. We talked about keeping safe with fireworks on Bonfire Night.

**Matthew:** It was really nice to meet PCSO Samuel and show him our noticeboard and to have his support to guide us through the assembly

**Daisy:** I enjoyed making a presentation on Powerpoint to teach all the children how to keep safe around fireworks and bonfires.

## ROTARY SHOE BOX ASSEMBLY

Shoe boxes are available from the office at £2 each (*no need to attach £2 to the box.*) They will be collected on the morning of 11<sup>th</sup> December.

## RECEPTION TRIP TO LINEAR PARK

On Wednesday, the reception children went on an autumn walk to Linear Park. They collected a range of autumn objects, leaves, skeleton leaves, acorns, berries and lots of shiny brown conkers. Their behaviour was impeccable and I would just like to thank all the adults who supported us on the trip.

Once the children arrived back at school they used the objects to create autumn crowns, faces and leaf rubbings. The children counted the conkers and used them in their small world play with woodland creatures.

**Jayden:** We got loads of conkers.

**Rose:** We found really big leaves and some small ones too.

## WORLD SCIENCE DAY

To celebrate World Science Day the children have been immersed in fabulous scientific experiences. To start the day, children were visited by Mad Scientist, Supersonic Sarah, who shared some interactive investigations on the theme of sport and Olympics 2020. Following on from that, every class have worked with two guest scientists, Catherine and Donal. The children have experimented and explored the topic of light. All the children have thoroughly enjoyed the day.

**Riley EYFS:** I liked catching the ball.

**Chloe EYFS:** The best bit was the fire.

**Georgie Y1:** I enjoyed helping super science Sarah.

**Bronagh Y1:** I liked watching Miss Riley and Alfie blowing water out of the bottle.

**Harry Y1:** I enjoyed making trees. I made an autumn tree with lots of colours.

**Pheobe Y2:** I liked everything today, it was great.

**William Y2:** I liked learning about light sources.

**Ruby Y3:** I enjoyed the Mad Science assembly.

**Charlotte Y3:** My favorite bit was when Donal came into class and taught us about light sources.

**Pheobe Y4:** I thought it was interesting because I didn't know you could shine a light on a mirror and it would reflect somewhere else.

**Charlie Y4:** I really enjoyed the Mad Science assembly especially when they set the gas on fire. It was just really strange.

**Finley Y5:** Sometimes experiments don't work out as you predict.

**Macy Y5:** I enjoyed using a stopwatch to time how fast my carriage travelled on the different zipwires.

**Isaac Y6:** It was fascinating learning lots of new things.

**Austen Y6:** I enjoyed learning about light and how we see it.

	<b>Y3 70%</b>	+
	<b>Y6 68%</b>	+
	<b>Y1 67%</b>	-

## CHILDREN IN NEED FRI 15<sup>TH</sup> NOV

We would love to support this great charity and we are aware this coincides with the PTA dress down day for tombola prizes.

However, we invite the children to wear bright colours and any accessories on the day and any donations for Children in Need would be welcomed. Thank you for your support.

### WELL DONE CORNER

Well done to Mollie Y3 for passing her level 8 in Gymnastics and for being selected to compete in her first competition.

## Newchurch Community Primary School

For parents whose children are starting school in September 2020.

### Open Days

Friday 18th October 2019 at 9:30am  
Tuesday 5th November 2019 at 2pm  
Thursday 14th November 2019 at 7pm

Parents and children are invited to find out about the learning journey we provide at Newchurch in order to prepare our robins to fly. You will be given the opportunity to meet the Headteacher, staff and children on a guided tour of the school.

If this is not convenient, then just give us a call on 01925 763427 and we will arrange a mutually convenient time for you to visit.

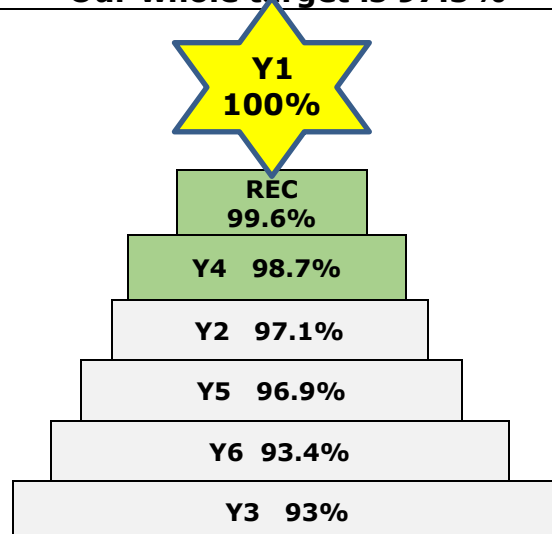

Please contact the school office if you would like any further information. We look forward to your child becoming a Newchurch robin and welcoming you into the Newchurch family.
