Headteacher: Mrs J Narraway

25<sup>th</sup> June 2021

Dear parent/carers,

As we mentioned in our previous letters, we are delighted to be looking to the future with school trips and residential. Year Five are making the step into their final year and their week-long stay at the Arête Centre (<https://www.aretecentre.co.uk/>) will be upon them before they know it.

To try and ease the financial burden which trips place on parents and carers, we have devised a system of enterprise which will hopefully bring down the total cost. The Year Five children will take part in an event before the end of this year and any money raised will be put towards the overall cost of the trip.

The plan for Year Five is to run a car wash on Sunday 11<sup>th</sup> July between 1pm and 5pm. The timing hopefully allows those who take part in clubs over the weekend to still be part of the event. This will take place at school and will be supervised by Mr Duckett. The outdoor nature of the event allows for the children to work within COVID guidelines and any lucky customers will be able to remain in their cars. Payment will be handing money over to the teacher to reduce the risk of any virus spreading; this money will then be quarantined for a period of time before being processed. We are hoping to charge £5 per wash, but will also take any generous donations, so dig out those old pound coins.

We would love to have as many customers as possible so please spread the word.

Thank you in advance for your wonderful support.

John Duckett

Deputy Head
