

# FRIDAY NEWCHURCH

17<sup>th</sup> January 2020

## SAME BUT DIFFERENT

In assembly this week, the children listened to the story 'Perfectly Norman' by Tom Percival. This is a beautiful book which tells the story of a little boy who considers himself to be normal until one day he grows a pair of multi-coloured wings. He doesn't like being different so he covers them up with a yellow coat which he wears rain or shine. However, this begins to affect his mental health as he sees himself as different from all the other children and so he starts to withdraw from doing the normal things in life that he does, causing his relationships and happiness to suffer. As part of the assembly, the children celebrated differences between people and were given the task of talking or playing with someone they rarely interact with to see how they are the same yet different.

Remember that if you are feeling low and would like some support, then <http://happyoksad.warrington.gov.uk/> is a great website to find support that's right for you in Warrington.

## HOLLY THE HERO!

Well done to Holly, our Read2Dog and therapy dog, for passing her annual behaviour assessment with flying colours. We are so lucky to have her and it is all down to the commitment and dedication of Miss Ingham, her owner. Over the last few weeks Miss Ingham has asked children if they would like to read with Holly at lunch times on a Tuesday. The response has been overwhelming - children are choosing to come in to read! At one point we had 18 children in. Thank you so much to Miss Ingham, and of course Holly, for their commitment to supporting the children of Newchurch.

## NEW YEAR CHALLENGE!

Have you set yourself a New Year Challenge? It may be to climb the Three Peaks, Couch to 5K or something else adventurous. Have you thought that you could support the PTA whilst doing this by setting up a fundraising page using [www.justgiving.com](http://www.justgiving.com) If anyone out there is thinking about this, please call in to the school and we will let the PTA members know.

# BRING A LOVED ONE TO SCHOOL

Our amazing kitchen staff have launched a new initiative which involves inviting a loved one to lunch. This can be a parent, a grandparent, aunt or uncle or close family friend. Due to space, only one guest per child can join us each time. Come along and share a roast dinner with the children! We have organised a rolling programme for these events - please refer to the calendar to see when your child's class are part of the initiative.

## Free U12s entry to Warrington Wolves Game

Mike Cooper has decided to let all under 12s go to his testimonial game free of charge with a paying adult. Contact the club about tickets if you are interested.
