

FRIDAY NEWCHURCH

1st March 2019

CHATTY HUT GRAND OPENING

After years of fundraising and planning, the Newchurch chatty hut opened on Wednesday afternoon. Dedicated to headteacher, Sara Lawrenson, the hut will be a vibrant forum for conversation and a quiet refuge for avid readers. Thank you for all the support in making this happen. See our Twitter page to see the pictures from the day. A big thank you to Dragonfly delights for supplying the lovely balloons and to Bents for the colourful spring flower displays.

Halle: I liked the balloons when we opened the Chatty Hut. The grass is super cool.

Lilly-May: It looks nice and we can go out without our coats as the rain doesn't get inside.

Frankie: I like going inside the hut to read. Our class had a party in it!

Meredith: I really like it as it has fake grass and it is really relaxing in there.

Isabelle: It is a nice place for talking. I think it is really good.

Isabelle: I enjoy sitting in the Chatty Hut with my friends talking and drawing. It has a good view of the school and nature is all around us.

Ethan: It is exciting and cool! I can sit down in the fresh air and talk to my friends.

WARRINGTON WOLVES

On Wednesday, Warrington Wolves coaches were here at Newchurch to begin their block of coaching sessions with the KS2 children. Over the next five weeks, they will be here each Wednesday to develop the children's rugby skills. The first session was really enjoyable with children learning how to pass accurately, catch the ball, play the ball and also scoring lots of tries. We look forward to seeing the children make excellent progress as the sessions continue next week.

Wilson: The first session was really enjoyable. It was fast-paced and there were loads of competitive challenges too.

Layla: I really liked the rugby session. I learnt new skills which I haven't been able to do before.

JUNIOR SAFETY ADVICE

Will and Izzy Y5: Our job, as Junior Safety Officers, is to tell everybody in our school and the local community (as much as possible) about how to stay safe at home and on the roads. Here are a few of our useful tips.

Personal safety at home & on the roads

Personal safety is all about keeping yourself, your friends, family and people in the community safe both at home and when you are out.

Here are a few tips on how to avoid some of the 'Hidden Dangers' that you may come across.

-  Always remember to lock doors and windows when you leave the house and at night.
-  Find useful telephone numbers and put them in your phone or write them down somewhere safe.
-  Don't run across roads and always take your time to cross safely.
-  Always wear your cycle helmet when riding your bike and make sure you wear something bright or high visibility clothes so that drivers can see you.
-  Remember that on icy or wet roads traffic will take longer to stop, so don't take chances.
-  When playing in snow never, never throw snowballs at the traffic on the road.
-  Put the word ICE (in case of emergency) into your mobile phone with the name and number of the person who should be contacted if you need help.

Always tell your parents or carers where you are going and when you will back!
