

Holiday Activities and Food (HAF) Programme

Christmas 2023

School holidays can be difficult for some families. The cost of extra food, childcare, and activities to keep children active and entertained can be challenging.

The **Holiday Activities and Food (HAF) programme** is a scheme funded by the Department for Education. It gives children who are eligible for free school meals the opportunity to take part in fun, enriching activities and receive a healthy meal. It runs during Easter, summer and the Christmas school holidays.
