Bookings are now being taken for our annual conference

Calling all parents and carers of children and young people 0-25 living with special educational needs and or disabilities (SEND) and professionals who support them.

Our annual **“Working Together Conference”** in coproduction with Warrington Borough Council and Health is now open to reserve your free place on this link: <https://warrpacconf26.eventbrite.co.uk>

This is **YOUR** conference, a whole day dedicated to SEND, an opportunity to connect with other families **“living the dream”**. The opportunity to sit around the table with the professional teams who are responsible for providing the services you and your family use. Learn, explore, enjoy a day for you, a free lunch and plenty of tea, coffee and tissues!

The conference will start with a marketplace of professionals from **9.00am** - if you can call in some help with the school run, it would be worth checking this out. The main conference runs from **9.30 to 2.30** and is free to all our members - parents/carers and professionals. Not a member yet? [Sign up here.](#)

Vice-Chair WarrPAC**
