31<sup>st</sup> August 2023

Dear parent/carers,

You may have heard on the news this evening that some schools need to make arrangements for their children as a result of unsafe Reinforced Autoclaved Aerated Concrete (RAAC) being present on school sites.

In response to the DfE alert on [Reinforced autoclaved aerated concrete: estates guidance - GOV.UK](https://www.gov.uk/guidance/reinforced-autoclaved-aerated-concrete-estates-guidance) ([www.gov.uk](https://www.gov.uk)), all schools in Warrington were included in-scope for a Stage 1 assessment, regardless of their designation (e.g. Academy, Maintained, Diocese).

I am writing to inform you that we received our school report yesterday and we are able to confirm that RAAC was **not** identified as being present on our school site and therefore it is safe for the children to attend on Wednesday 6<sup>th</sup> September.

We cannot wait to see them.

Kindest regards,

Jayne Narraway

Headteacher
