17th July 2020

Dear Newchurch Robins,

One hundred and nineteen days since writing to you confirming the closure of our beautiful school, we find ourselves on the last day of the school year. Can you believe it? As we look back on the school year, and your achievements, we cannot help but be bursting with pride.

From start to finish you have made us exceptionally proud. Every Newchurch core value has been displayed. You have shown:

- **Respect** in the way you have followed instructions to ensure that you have kept you and your families safe and well;
- **Resilience** when you have kept going with your home learning, even when it has been a little tricky and it would have been so much easier if you had your teachers with you;
- **Resourcefulness** when you have needed to use the things around you and the people in your homes to help you with your learning;
- **Responsibility** by sharing your learning with us each and every day;
- **Reciprocity** when you have made sure that you have completed the work asked of you and the lovely messages you have sent your teachers.

A special message must go to our Year Six robins. You are all everything a Newchurch robin is expected to be. It is now time to spread your wings and take flight to your next destination. Please come back and see us, and remember...once a robin, always a robin. Enjoy life, Year Six!

Now it is time to be **reflective** and give yourselves a pat on the back for all you have achieved this year. We know it has been difficult but you have done it! You also need to take the time to thank your parents for all the support they have given you as your teacher since school closed, you are lucky to have them. We have been in awe of each and every one of you and have missed you so much; however, we are delighted that we have all come through this difficult time safely, well and together. You are our heroes!

Have a fantastic summer, keep safe and see you in September.
