

Newchurch C.P. School PTA Newsletter

Dear parent/carer,

With our fundraising in mind we have to acknowledge the current financial crisis. We want to support our families and ensure our events are open to all and they can be enjoyed without any added pressure. In our 2022 events we are not charging entry, having some free games and minimising 3 donation days down to only 1.

We are asking for donations on some of our events, however big or small, as we still want to be able to support the school and help fund improvements/class trips/year 6 prom etc.

QR codes have been created so donations can be given anonymously if people would like to do so, these QR codes will be on activities sent home with the children.

We are also looking how we can give back to the community with food, gifts, clothes donations. More information will be given on this. Please get in contact with the PTA if you have any ideas to support.

In keeping with the ever-changing world we have purchased a card reader and are looking to introduce cashless methods of payments for future activities, alongside cash.

We feel that this is a beneficial for many of our parents and will stop the panic dash to the cash machine before events.

We are aiming to get physical letters out, space on the school website and text reminders to keep everyone up to date. If anyone has any feedback on how we can better communication please get in touch.

Key PTA dates 2022 for the diary will be sent separately and continuously updated on the PTA facebook page.

Come along to our next meeting to plan the Christmas Fair and plan all the fun ideas for the year ahead.
