9th December 2022

Dear Parent/Carer,

PTA Santa Dash

Instead of raising money, our PTA would like to invite the children take on the role of Santa and partake in a Santa Dash (in aid of Warrington Foodbank) on Christmas jumper, dinner and party day - Thursday 15th December. Please see the image to the left which shares the items Warrington Foodbank have identified as having a shortage of, but feel free to send an item of your choice. Of course, there is no obligation to make a donation, this is only if you are able to.

Our fabulous PTA will be collecting any donations on the school carpark on the morning of 15th December 2022.

Christmas Party Bags

On Monday, the children will bring home a small brown paper bag to decorate with Christmas pictures. They can fill this bag with a drink and two treats for their Christmas party. Please ensure they have their party bag with them on 15th December.

Welcome to our new Newchurch Governors

We are delighted to welcome both Niamh Harrison and Gary Marsh to the Newchurch Governing Body. We have been very fortunate in being able to secure two excellent new governors following the opening of another parent governor position.

Many thanks to Rachel Basnett and Jennie Savage who completed their term of office: both of which made an exceptional contribution to making Newchurch the school it is.

Safe Parking

Unfortunately, we have been made aware of drivers parking unsafely outside the school gates at the end of the school day. This week, a child was nearly ran over as a result of a large car parked on the double yellow lines next to the gate. The parent of the child has reported the incident to the police.

As mentioned in our earlier correspondence, we had a very serious accident a few years ago which was life changing for the victim. We would like to make a plea to all those dropping off children and collecting them that you park safely away from the school gates. Any cars seen to be parked dangerously may be reported to the police. Please pass this information on to any other family members who do the drop off and pick up for your children.

Scarlet Fever

You may have heard in the media that there has been a rise in the number of cases of scarlet fever. The symptoms of which can be non-specific in early illness and may include sore throat, headache, fever, nausea and vomiting. Within 48 hours, a characteristic pinkish-red, generalised pinhead rash develops, typically first appearing on the chest and stomach, rapidly spreading to other parts of the body, giving the skin a sandpaper-like texture. On more darkly-pigmented skin, the scarlet rash may be harder to spot, although the 'sandpaper' feel should be present. People with scarlet fever typically present with flushed cheeks and pallor around the mouth. This may be accompanied by a 'strawberry tongue'. During convalescence, peeling of the skin may occur at the tips of fingers and toes and less often over wide areas of the trunk and limbs.

Please could we ask that parents be vigilant with regards to looking out for any of these symptoms and our advice would be to seek medical advice immediately if your child displays them to enable the children to be prescribed with antibiotics should they be confirmed as having scarlet fever.

As many of you are acutely aware, during the pandemic we demonstrated our ability to minimise risk of contamination. Measures have been put in place within the class of the isolated confirmed case and staff have been fully briefed on the symptoms and expectations to mitigate the risk of infection. Should an outbreak occur, we would inform Public Health for support and guidance. The current guidelines from Public Health is that an outbreak of scarlet fever is defined as a credible report of two or more probable or confirmed scarlet fever cases attending the same school / nursery or other childcare setting notified within 10 days of each other (2 maximum incubation periods) with an epidemiological link between cases, for example they are in the same class or year group.

Parents wishing to find out more about scarlet fever can visit: https://www.nhs.uk/conditions/scarletfever/

And finally...please see additional dates to the calendar below which have been added in red.

With kindest regards,

Jayne Narraway

Mrs J Narraway
