

NEWCHURCH COMMUNITY PRIMARY SCHOOL

19th September 2019

Dear Parent/Carer,

Reading and Maths is once again a key area of our School Improvement Plan this year and we would love it if you would contribute to helping our Newchurch Robins develop a greater love of reading and maths.

If you have just a little time spare, we would love to welcome you into school. We are looking for volunteers to hear readers and help children with their times tables. If you do have time available, no matter how small, we would love to hear from you. Grandparents are very much welcomed too!

In order for Mr Duckett to formulate a timetable across the school, please could we ask that you express your choices on the slip below and return it to school by **Friday 4th October**. Once this is done, Mr Duckett will contact you with further details.

Many thanks in anticipation of your continued and valued support.
