

NEWCHURCH COMMUNITY PRIMARY SCHOOL

24th February 2020

Dear Parents,

The voice of the parent is paramount to us and we would really like the changes we make in school to be a true consultation with the parents of our children. We really appreciate your thoughts and feelings, and feel that having the Parent Board has further strengthened our relationships and has continued to ensure that your children have a happy and successful education at Newchurch.

The Parent Board allows parents the opportunity to develop our school practice and create even stronger home/school links. The board is made up of one or two parents from each year group, Mrs Narraway and Mrs Sizer.

Unfortunately, numbers are dwindling and in order for the changes we make to reflect the voice of the parents, we would ideally like to have two representatives from each year group.

The board will meet once each half term at 6:00pm and the meeting lasts no longer than one hour. The date for the next meeting is 10th March 2020 when we will be discussing:

- Homework
- Organisation of parents' evening

If you feel that you would like to get involved, and you are in a position to make a regular commitment, please complete the reply slip below by **Friday morning 28th February 2020**.

Yours sincerely,

Mrs. Jayne Narraway

I would like to be part of the Parent Board
