22nd February 2022

Dear Parent/Carer,

We are half way through your child's first year at school and we are delighted that for many of our youngest Newchurch robins, this has been the first time in two years that their education has not been significantly affected by COVID-19. We are really pleased with how the children have settled in and how they are developing against the Early Learning Goals.

To help share your child's progress and inform you of their next steps in achieving the Early Learning Goals, we have decided to move to a parental conference each half term just to give you a snippet of how your child is doing and how you can best support them. We do hope this will be useful to you.

Please accept our sincerest apologise for cancelling the Phonics and Early Reading Workshop. Unfortunately, this was unavoidable but we would like to offer you another date: Thursday 10th March at 6pm. Please indicate you wish to attend on the google form detailed later in this letter.

Finally, we recognise that you have not had the full Newchurch Reception Experience, yet we would like to gather your opinions as to how we could support you and future Reception parents in their child's first year at school. Please could we ask that you take just five minutes to complete the following google form (<https://forms.gle/dG2nkwQUPmyXDubRA>) to help us with our new starters but also support your child with the transition into Year 1.

Kind regards,

Mrs Jayne Narraway
