

FRIDAY NEWCHURCH

25th January 2019

MAD SCIENCE

After such a fantastic response following the taster assembly a few weeks ago, we are so lucky to be joined by 'Supersonic Sarah' from the Mad Science team for an afterschool club for the next 8 weeks. There were lots of toys pinging, popping and bouncing around the classroom as the children were learning about what the toys need to make them work. This included inducing potential energy, kinetic energy and gravity. The children also get to take home an experiment of their own each week.

Remi: I liked when we were moving the cars because they were fast, and when we stuck the circles to the tables and they pooped up to the ceiling.

Vincent: I liked it when we had to push the tube flat on the table and it whizzed through the air across the classroom.

CHESHIRE CUP FINALS FOOTBALL

On Thursday, the Year 5/6 football team took part in the Cheshire Cup Finals down at the Crewe Alexandra Soccer Academy. From qualification events from all over Cheshire, the boys were down to the final 20 teams all competing for a place in the North of England finals.

Although the boys were unfortunate to have not won the competition, their attitude, enthusiasm and teamwork made them all winners in their own right. To have got so far in the competition is a great achievement in itself and we are all very proud of the way you represented the school.

Christian: It was great to have the opportunity to play against other teams.

Jack: I liked doing the training and playing the matches.

Alex: It was fun playing competitive games with my friends.

Sean: We were the only team who scored against the best team in the competition.

Y5 ATHLETICS COMPETITION

Yesterday, Year 5 visited Culcheth High School to compete in the Sportshall Athletic Challenge. The children displayed great determination, but more importantly, the team spirit and support for each other was outstanding! Well done to everyone involved.

Isabelle: I really enjoyed the challenge of competing against lots of Year 6 children.

Captain Cerys: Being captain was a responsibility that I loved because I was able to support and motivate the team.

Newchurch Community Primary School
Come and Celebrate Chinese New Year with a Special Lunch
