1<sup>st</sup> April 2022

Dear Parent/Carer,

It has been another lovely week in school where the children have worked so hard and are enjoying their learning. Thank you so much to our Reception's loved ones who came to join them at lunchtime this week. We love that we are able to welcome you back to such events and continue developing our strong partnership between home and school.

### Uggy Wuggy

We have been made aware of this character who is on TikTok but is also accessible via YouTube. Children as young as reception are talking about the character who goes up to people, gives them a hug and then whispers nasty words into children's ears about killing family members. We are sure you share our concerns regarding this and just wanted to advise to

check your parental control settings on your children's devices and monitor what your child watches.

### Amazon Smile

We are delighted to have received information of our quarterly donation to the PTA from parents who use AmazonSmile to donate to our fundraising. The donation is at no extra cost to you as a customer, the school simply receive a small percentage of the cost of your order as a cashback donation. So far the school has received £108.55. All you have to do is use [www.smile.amazon.co.uk](http://www.smile.amazon.co.uk) or turn on AmazonSmile on the app. Thanks you so much for supporting our wonderful PTA who work so hard to fundraise for the school. They have just supported us in developing our Early Years outdoor environment.

## The Great Newchurch Sunflower Challenge!

Today, your child will receive an envelope with a sunflower seed inside it. Our Eco-Council challenge the whole school, even the staff, to plan and nurture their seed in a bid to win the title of Great Newchurch Sunflower Challenge Champion 2022. They ask that the children plant the seed in something that has already been used such as a yoghurt pot, an old wellington boot, etc. The children will be asked to bring their plant into school on a day in the future where each sunflower will be planted around the school to see the sunflowers grow and grow and grow. Thank you to our amazing Protectors of the Green (Eco-Council) for all their hard work.

## Uniform

We have been informed that Cactus are no longer going to be supplying uniforms to schools and therefore, we have been looking for an alternative provider which is affordable, yet maintains the quality we need for the children. We are pleased to inform you that Warrington Schoolwear Centre in Warrington Town Centre have agreed to supply our uniform at a cheaper price than Cactus and I can personally assure you that the quality is just as good as my own children had uniform from them. We have checked and you can order online. Over the coming weeks, when we have events in school, we will share the samples with you.

## Easter Eggstravaganza Events

Just a reminder that when we return to school on Tuesday 19<sup>th</sup> April, we will hold our egg decorating and egg rolling competitions. Children are asked to decorate an egg which will then be used to compete in the egg rolling competition. This event is just for fun and the children love it!
