

# FRIDAY NEWCHURCH

14<sup>th</sup> September 2018

## OPEN DAYS

It is that time of year again when parents are considering their choice of school for their children. You may have noticed the banner that has been put up outside school and also on twitter with the statement that we are outstandingly happy school- this is something that the children have confirmed and something that we stand by. Obviously I think it is fundamentally important to send your children to a happy school where they can thrive so if you know of families who are about to make a decision about which school to send their children to- please inform them of our open days or ask them to give me a call. We have also got spaces in year R and class one if you know any families who may be interested. Thanks for your continued support.

**Tuesday 2<sup>nd</sup> October 1.30pm**

**Saturday 3<sup>rd</sup> November 11am**

**Thursday 22<sup>nd</sup> November 7pm**

## FIRST IMPRESSIONS

**Reception:** The children in Reception have made a fabulous first impression. They are very polite, and kind and caring towards each other. They have started to make lots of new friends and Mrs Sizer and Miss Sullivan are really proud of the way that they have settled into school life.

**Bobby:** I liked building things with my friends.

**Luna:** I liked playing in the tree house.

**Year 1:** Year 1 have made a fantastic start to the year! I can't believe it is only the end of week 2, because they are so settled and into the new routines. They have really impressed me with their attitude to learning and their willingness to have a go. It has been an absolute pleasure working with them and I am looking forward to the year ahead to see just how far they go!

**Elodie:** I liked doing the handwriting work.

**Will:** I liked doing phonics and learning the letters.

**Year 2:** What a start Year 2 have had! I'm so impressed with the wonderful manners, enthusiasm and hard work they have shown in all of their learning so far, and we are only 2 weeks

into the new school year. I'm really looking forward to see how else they can amaze me. Keep up the fantastic work Year 2, you're going to shine.

**Oscar:** I have enjoyed being in Y2 and I really liked learning how to play the hand bells.

**Harriet:** I have enjoyed meeting my new teachers.

**Year 3:** Year 3 have made a fantastic first impression during the first 2 weeks of term. All of the children have been trying extremely hard and have been a delight to have in class. Miss Brinksman and Miss Ingham are very proud. Well done Year 3 and keep up the good work.

**Beth:** The first 2 weeks in school have been great.

**Tyler:** I have enjoyed everything so far in Year 3.

**Year 4:** What a pleasure it has been to start the school year off with such delightful children! They are every much as wonderful as they were when I taught them in Year Two. They have amazed me with their creativity and love of learning. I can't wait to see how they progress throughout the year after having such a fantastic start! Well done, Year Four.

**Wilson:** I have enjoyed doing everything! I have especially enjoyed doing cricket with Mr Whitehouse.

**Isabelle:** I have loved doing poetry in Year 4. I can't believe how much better I have got at writing poetry and now I know what onomatopoeia and personification are.

**Year 5:** We have had a wonderful start to the new academic year. The children have really impressed Mr Tattersall, Mrs Wilkinson-Gamble and Mrs Price with their enthusiasm and energy. This week the children have been making Anglo-Saxon shields as part of DT week. They look amazing!

**Liam:** The lessons have changed and I have enjoyed learning different maths.

**Abi:** I liked having a new teacher and doing the fun DT activity.

**Year Six:** The children have started the year positively and are already pushing on through their curriculum. Through reading, they have begun to study A Monster Calls by Patrick Ness – a text which deals with a range of challenging topics. The broad mathematics curriculum has also commenced investigating place value and arithmetic. Lots of challenges remain but we know Year Six are up to them.

**Sara:** It is challenging being in Year 6 but also fun.

**Alex:** It is exciting and testing but I am enjoying it.
