Headteacher: Mrs J Narraway

11th March 2021

Dear parent/carer,

We are very excited about this year's Red Nose Day and wanted to share with you some of the ideas we have to ensure a fun-filled day whilst supporting a very worthy cause.

Class Joke Book Challenge

Just for fun, we would like each child to come armed with their funniest joke. They will be filmed telling their joke and we will combine each video to create a class joke book that can be shared with other classes. You will also be able to see a copy of the joke book too. In order to ensure that only children with consent are included in the joke book, please can we ask that you complete the google consent form using the link for your child's class. If you have more than one child, please complete a form for each individual child using the appropriate link. This will help teachers easily see who has consent.

Can the children wear red noses?

Sadly, for obvious reasons, we are not able to allow the children to wear the red noses that they can purchase in the shops. However, we are happy for the children to have their faces painted and have red noses that way. As we are not able to wear the red noses, we have decided to have our own unique way of having fun. Instead, we are going to have a dressing up day and the theme is 'mismatch'; children and staff can come into school in

LOTTERY FUNDED

clothing, hats, wigs etc. which just do not match. They can spray their hair and wear face paints if they wish. Here are a few examples:

The Great Newchurch Nose and Spoon Race 2021

This may well become an annual event! Based on the traditional egg and spoon race, the children will have a nose and a spoon. The children must walk a distance without dropping the nose off the spoon. Children will participate in the races in their class bubbles but the points will be linked to the whole school House Teams, making it a whole school challenge.

Design a red nose and ...

The children will have the opportunity to use their creative skills to design their very own red nose. It could be anything: a red nose for a friend, for an animal, a famous person, etc.

In addition to this, the children will be able to take part in 'Pin the nose on the teacher' – a game where they must see who can stick the red sticky dot closest to the member of staff's nose.

How can I make a donation?

If you would like to make a donation towards Red Nose Day, please feel free to make your donation using the ParentPay system and we will do the rest. Every donation, no matter how small, will make a difference.

We are sure the day will be amazing and just what we need to lift our spirits whilst also raising much needed funds for charity.

Take care and keep safe,

Mrs Jayne Narraway
