

NEWCHURCH COMMUNITY PRIMARY SCHOOL

Wednesday 23rd May 2018

To the Parents/Carer

On Friday 25th May, new legislation will come into force regarding data protection. The General Data Protection Regulation (GDPR) will replace the data protection act resulting in some changes to how we collect and use data along with the way we notify stakeholders including parents and carers.

Currently we use online packages, apps and media to educate and celebrate the children of Newchurch Primary School. In line with GDPR expectation we are requesting permission for your child to have login details for these programmes or for them to be included on specific media.

Please could you tick the boxes below which you give permission for your child to use? In most cases your child will have a unique username and password which they can use to access resources in school and at home.

It is important that this form is returned by Friday 25th May in order for your child to have access to these resources at the start of the new half term. If you give consent, this will last for you're the duration of your child being at Newchurch Primary; however, please be assured, you are free to opt out at any time.

Yours sincerely,

Mrs. S. Lawrenson
Head Teacher

Please tick the relevant boxes below and **return to school by Friday 25th May.**

Child:

Class:.....

Package/Resource/Media	I give permission for my child to use this application
TTRockstars - Online resource used to support children in learning their times tables.	
Spelling Shed - Online resource used to support children in their acquisition of spelling rules and patterns.	
SPAG.com - Online resource used to support children in accessing the expectations across the grammar curriculum.	
MyMaths - Online resource used to support children in their learning across the mathematics curriculum.	
Twitter - Secure social media platform used to celebrate the children's work and school events. Do you give permission for your child's picture and work to be used?
