

Newchurch Community Primary School

Sports Premium Action Plan

The government is providing additional funding of £150 million per annum to improve provision of physical education and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and culture, Media and Sport – is being allocated directly to primary schools. This funding is ring fenced and therefore can only be spent on provision of PE and sport in schools.

At Newchurch Community Primary School, we have developed an action plan in order to continue to improve PE provision and raise achievement for all pupils in sport.

Our aim is to instil in all children a life-long enjoyment in participating in as wide a range of physical activities as they can experience.

From auditing staff, pupils and equipment an action plan was produced and funding will be used to enhance our PE curriculum and to encourage participation for ALL.

The priorities for 2020-2021 are:

1. To continue to educate a PE apprentice in-house by delivering a high quality PE programme to allow the apprentice to succeed.
2. To improve the % of children attaining swimming proficiency prior to leaving Newchurch.
3. Join the Warrington School Sports Partnership and again achieve the Gold School Games Mark.
4. Developing competition across the school, and between clusters of schools
5. Increase participation in sport through the provision of additional afterschool and lunchtime clubs particularly for those children who do not choose to actively participate in sport
6. To improve mindfulness using physical activity as a driver by developing Forest Schools education.
7. Purchase additional PE resources to enable a wider and new range of sports to be played.
8. Use National Curriculum outcomes to show what the national expected levels are for key stages. Mr. Singleton to lead staff meetings to provide information for what an expected child looks like. Teachers to input data onto tracker for data analysis to take place each term.
9. Continue to develop the expertise of teaching PE. Learning walk in the Spring term. Mr. Singleton to provide training for staff to develop teaching. Look for specific CPD for any areas of development. Repeat learning walk in Summer term to see impact of implementation of training.

Action plan focus: Sports Premium Funding		Leader: Lee Singleton TLR			Links with School Improvement Plan: Recovery Curriculum Allocated Budget: £17, 631			
Objective	Action	Personnel	Completed by?	Resources/costs	Success Criteria	Monitoring	Progress against objectives	Impact evaluation
To continue to educate a PE apprentice in-house by delivering a high quality PE programme to allow the apprentice to succeed.
