

NEWCHURCH COMMUNITY PRIMARY SCHOOL

5th February 2019

Dear Parent,

We would very much like to invite you to a parent workshop on 6th March 2019. There will be two parent workshops: one aimed at Reception and Year 1 parents which will focus on Phonics and early reading skills, and one aimed at parents of children in Y2 to Y6.

The purpose of the Phonics workshop will be to model how we go about teaching the children the sounds letters make and how they are used to develop reading and writing skills.

The purpose of the reading workshop will to continue to build on the previous workshop of developing inference skills plus looking at how to support children with their vocabulary.

The afternoon will be organised as follows:

1:30 – 2:00	2:15 – 3:00
Phonics workshop in the hall for Reception and Year 1 parents.	Reception and Year 1 parents to spend time in class seeing the application of phonics and early reading skills.
Y2 – Y6 parents spend time in the classroom supporting reading skills of inference and vocabulary development.	Y2 – Y6 parent workshop in the hall focusing further on the use of vocabulary and inference.

In order to enable as many parents to attend the workshop, please could we ask that you indicate the times you would prefer. Please could this be returned by **Friday 15th February**.

Kind regards,

Jayne Narraway
English Lead

Parent Workshop on Wednesday 6th March 2019

Name of child _____ Year _____

Please tick

I will be attending the Phonics workshop (EYFS and Y1)	
I will be attending the Reading workshop (Y2 – Y6)
