Dear Parent/Carer,

Join the **FREE Summer Reading Challenge** at your local library!

Culcheth Library is excited to invite all our Newchurch Robins to take part in this year's [Summer Reading Challenge](#) which is completely FREE.

What is the Summer Reading Challenge?

The Summer Reading Challenge is a fun, free way for children aged 4–11 to stay motivated to read during the summer holidays. Children set their own reading goal and can read anything they enjoy – what's great is that **all books count!**

Why should my child sign up?

One in four children hasn't reached the expected level of reading by the age of 11 and many will struggle to keep up at secondary school, despite reading for pleasure being one of the single biggest indicators of children's development.

The Summer Reading Challenge provides:

- Amazing way to **boost confidence** and **self-esteem**.
- They will be better **prepared to return to school** in the autumn.
- The Challenge **supports the move into a new year group**.
- The library provides **free access** to books and fun family activities all through the summer.

Your child will be part of a UK-wide programme developed by [The Reading Agency](#) and delivered in partnership with the [public library network](#).

*"We've joined the reading challenge for the past 4 years and every year it has inspired and encouraged a deeper **joy** for reading. For a young dyslexic boy the challenge helps make reading **fun.**"*
