This system will be reviewed on an ongoing basis and we will continually make improvements based on feedback.

Early drop off: please note that children cannot be dropped off before the session start time.

Late collections: please note that the club closes at 5.30pm. A late collection fee of £1 per minute is charged after this time to cover staff costs. If a child is collected late on a continuous basis you may be asked to find alternative arrangements for your childcare.

Booking of sessions: for operational planning reasons and staffing costs, we cannot accommodate 'ad hoc' sessions. Sessions must be booked for a full term. You will be charged

for booked sessions via Parent Pay and the sessions will be automatically debited on an ongoing basis. **Your account balance on Parent Pay must be kept in a positive balance position at all times**, similar to how we operate our school meals provision. If your account falls into a negative balance, you will immediately lose your place at Newchurch Robins until the debt has been cleared. Once a session is booked for the full term, your child's place will be secured for the duration and you will be billed for this childcare even if the place is not taken on certain days or due to illness. We operate on this basis to cover our operational costs and protect our school budget. This part of our terms & conditions and is subject to change.

Cancellation of sessions: we will accept four weeks **written** notice in advance of a total cancellation of place. Written notice should be emailed to [Newchurch\\_Robins@warrington.gov.uk](mailto:Newchurch_Robins@warrington.gov.uk) We cannot accommodate frequent changes to session patterns. We operate on this basis to cover our operational costs and protect our school budget. This part of our terms & conditions and is subject to change.

Fees: we have chosen to use ParentPay as the system for the collection of our fees. Your parentpay account will be set up when your child starts in our Reception class. Parentpay is the cashless payment system that we use across school for payment items such as snack and school trip. Sessions will be debited on ParentPay on the day that your child attends, this is an automated pre-programmed system and fees will be automatically charged according to your booked sessions pattern. The benefit of ParentPay is that it provides a real time up to date picture of your charges and it also allows you the facility to pay straight away, if you choose. **We expect your Newchurch Robins Parent Pay account to remain in credit at all times.** We cannot accommodate a debit balance as it impacts on our school budget. If you do not keep your account in credit, you will lose your childcare place until your debt has been cleared.

We have childcare voucher accounts in place with the following providers: Edenred, Fideliti, Care-4.co.uk, Computershare, Busy Bees, Kiddivouchers and Sodexo. Our Ofsted number for account purposes is: 111189.

If you have any queries regarding your fees, please email [Newchurch\\_Robins@warrington.gov.uk](mailto:Newchurch_Robins@warrington.gov.uk) We will look to continuously improve this process based upon feedback.

#### Catering:

Breakfast – is served from 8am and a selection of cold breakfast items are available for all children attending this session.

Afternoon – a light healthy snack will be served during the afternoon session. This is a light snack designed to provide refreshment until a child has dinner at home.

Resources and activities: a wide selection of toys, games and craft activities are available for the children to use. Our resources are updated regularly and children are asked to share their views on what resources and activities they would like. This feedback is built into our planning.

Homework: our club is a place for children to build relationships with their peers, have fun and relax after school, if they wish to do their homework there will be a quiet area for them to complete it.

Behaviour: we expect the same level of behaviour in our club as in school. Policies that apply in school also apply at club. Any disruptive behaviour will be reported to parents and the Head Teacher.

This is a brief overview of our club, if you require more in-depth information, all policies and procedures are the same as Newchurch Primary School.

Please note that as your child currently attends Newchurch Primary School and to reduce additional paperwork on an ongoing basis, we will use the information that we hold regarding contact information, medical information, ethnic origin, home language and religious affiliation.
