20th March 2023

Dear Parent/Carer,

On Friday we said a fond farewell to our School Business Manager, Kirsty Gill, who became a member of the Newchurch family in June 2022. After many years of working in schools, she is returning to her previous career in travel and tourism. We are sure, like us, you wish her well. We have completed a rigorous recruitment process for a new School Business Manager and are delighted to welcome Rachel Burns, who you may know as our Chair of Governors, as our new School Business Manager with effect from 12th June (after the Whit holidays).

In the meantime, our lovely Office Manager (Bev Heath) will be holding the fort until Rachel starts. This means that the capacity in the school office is temporarily reduced until the Whit holidays.

We will endeavour to maintain 'business as usual' but as much as we all love Mrs Heath and know she is Wonder Woman, she can only do one job at a time. We recognise that things may take longer than usual and therefore ask that you consider the following to help us out:

- Checking the school website for questions about events before telephoning as notice is given in plenty of time and full details are provided on the school letters;
- Ensuring that ParentPay and Newchurch Robin accounts are in credit to reduce the time needed to chase up debts;
- Ensure your child has everything they need for the day: lunchboxes, musical instruments, swimming kits etc.
- Ensure that communication regarding other adults picking children up or children not attending clubs be made via email <u>Newchurch_primary@sch.warrington.gov.uk</u>

The office email and Newchurch Robins email will be managed by myself and Mrs Heath but please bear with us as we are managing three emails each.

Parental Conferences and Progress Update

In the final weeks of the Spring Term, the children will be completing their Spring assessments in order to assess their and progress.

On Monday 17th April, you will have the opportunity to engage with a book share with your child after school from 3:15pm until 4:15pm. The children's books will be made available to you and you can spend time sharing them. If you have more than one child, you can go between the different classes within this time. Feedback from last time showed that having the children present brought a different dimension to the looking at books.

On the same day, your child will receive an interim report. Last time, some parents stated that they would have liked a teacher comment. Schools are only expected to report to parents formally at the end of the school year (when a written teacher comment will be given) and hold two parents' evenings; however, we listened to parental feedback and decided to introduce the interim report. The aim of the interim report is to give you a snapshot of how your child is doing in each subject and therefore facilitate a dialogue with your child's teacher during the parental conferences.

Here is a reminder of the dates of each of the parental conferences. Bookings can be made via ParentPay and will go live next week. You will be alerted via text when the bookings are open.

Year group	Dates

Uniform Expectations

Please can you ensure that your child is wearing the correct uniform each day and does not have any jewellery on, apart from a watch and small stud earrings if they wear them. All earrings should be removed for PE so it may be best to not send your child in wearing them on PE days. PE hoodies and joggers/leggings should be black and could we ask that trainers only be worn on PE days. Many thanks in anticipation of your support with ensuring our Newchurch robins look smart.

Out of school activities and events

We have been made aware of a number of out of school activities and events that can be booked on over the holidays.

The first is Warrington Youth Zone who hold project evenings on Sunday nights. See the flier to see what is on offer. Bookings can be made via the website or emailing Dawn Dean.

ComputerXplorers leads the way in providing technology-based activities that are both inspirational and educational. Their unique brand of hands-on programmes are always full of fun and interaction. They
