11th December 2024

Dear parent/carers,

At Newchurch, we are very fortunate to have our designated Mental Health practitioners who liaises with the school in order to provide early intervention for any children who may be experiencing some difficulties with their emotional, mental health and overall wellbeing. The Mental Health Support Team (MHST) are making such a difference to the lives of young children right across Warrington schools.

In order for MHST to further develop their offer, they have introduced an annual School Mental Health Audit, which they are asking staff, pupils and parents/carers to complete. The closing date for the questionnaires to be returned is 8th January 2025.

It goes without saying that the more responses we have to the questionnaires, the more valid the audit will be thus providing a better picture of the current mental health and wellbeing status at Newchurch Community Primary School.

Once the results are in, MHST will analyse the results and provide a RAG rating linked to individual criterion on a mental health audit tool. When this is completed, they will then consult with the school on what further support they can provide our children and families.

Here are the questionnaires to complete.

Pupil Questionnaire: <https://forms.office.com/e/uEtCuKe88q>

Parent/Carer Questionnaire: <https://forms.office.com/e/yUk1cHNRtu>

They should only take 5 minutes and could make such a difference to our Newchurch Robins.

Many thanks in anticipation of your valued support.
