12th March 2025

Dear Parent/Carer

As a school, we are committed towards ensuring we play our part in Climate Education. Across our curriculum, we cover a breath of environmental issues, learn about the world we live in and begin to unpick the part we all play in caring for the environment. With this at the forefront of many projects we are developing in school, we have pledged to take part in 'The Great Big School Clean' brought to you by Keep Britain Clean, which runs from 21st March- 6th April. #GBSchoolClean Pledge

All our Newchurch robins, will take part in litter picking during the week commencing the 24th March. Our very own ECO team, will be heading into the local community to litter pick and raise awareness. We would like to invite all our families, to join in the mission towards a litter free community and if possible, take part in some of your own litter picking. Please be mindful of health and safety guidance when litter picking which can be found in the link below.

<https://www.keepbritaintidy.org/get-involved/support-our-campaigns/great-british-spring-clean>

As part of our pledge, the children will receive certificates for their efforts and involvement. If as a family, you decide to litter pick, please send in photographs or a note- anything you wish- to show us your wonderful contribution. This will be showcased in class and champion litter picker stickers given. Please send this in with your child or email to the school office: FAO Mrs.Toone.

Thank you for your continued support and making our world a better place. If you would like to discuss any of this further, or have any questions, please don't hesitate to contact myself.

Happy litter picking!

Mrs.Toone
