

# Newchurch Community Primary School - Share in our learning Year 2 Autumn A

## English:

### Reading:

Throughout the unit our focus will be on ensuring that children can do the following:

- Discuss the sequence of events in books and how items of information are related
- Make inferences on the basis of what is being said and done
- Answer and ask questions
- Predict what might happen on the basis of what has been read so far
- Participate in discussion about books, poems and other works
- Explain and discuss their understanding of books, poems and other material

### Writing:

- Write narratives about personal experiences and those of others (real and fictional)
- Write down ideas, key words, new vocabulary
- Encapsulate what is to be written, sentence by sentence
- Make simple additions, revisions and corrections
- Evaluate writing with the teacher and other pupils
- Re-read to check that writing makes sense and that verbs to indicate time are used correctly and consistently
- Proof-read to check for errors in spelling, grammar and punctuation

## Mathematics:

Along with our arithmetic and calculation skills we will be looking at the following areas of the curriculum:

### Place Value

Tens	Ones

#### Children should be able to:

- Read and write numbers in numerals up to 100
- Partition a two-digit number into tens and ones to demonstrate an understanding of place value though may use structured resources to support them
- Partition any two-digit number into different combinations of tens and ones, explaining their thinking verbally, in pictures or using apparatus.

### Addition and Subtraction

Addition	
Subtraction	

#### Children should be able to:

- Add and subtract any 2-digit using an efficient strategy, explaining their method verbally, in pictures or using apparatus (e.g.  $48+35$ ,  $72-17$ )

## Science: (Autumn A and B)

Throughout our topic, our key learning will include:

- noticing that animals, including humans, have offspring which grow into adults
- find out about and describe the basic needs of animals, including humans, for survival (water, food and air)
- describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene

### Physical Education:

The goal of our dance topic is to explore, remember, repeat and link a range of actions with coordination, control and an awareness of the expressive qualities of the dance.

Throughout the topic we compose and perform dance phrases that express and communicates moods, ideas and feelings.

### History:

### Art:

Our Art topic this term is painting in the style of LS Lowry.

Throughout the unit, children will use a range of brushes, and use a range of techniques to create their own painting.

### Useful websites:

<https://www.bbc.co.uk/bitesize/clips/z3gkq6f>

### Religious Education:

#### Judaism

In RE this term Year 2 will be focussing on Judaism. We look at the different celebrations that are celebrated by people of a Jewish faith. We will look at how and why these things are celebrated and compare them to the way in which we celebrate different events. We will use our own experiences to reflect and understand why these events are significant to the Jewish faith.

### Music:

#### Hand Bells

In hand bells we deal with rhythm, pulse and pitch. The children learn how to read music based on the duration of the note and number of the bell. The children play as an ensemble and follow conduction to begin until they have built up confidence to follow the musical score themselves.

### PSHE:

#### Families and Friendships

The start of any new year can be challenging and recognising how our relationships change and grow is really important. This unit aims to support children with these challenges.

### Languages:

#### Learning Powers

In our Spanish lessons we will be practising greetings, name phrases and our numbers 1-10. We will be working on our listening skills to help hear sounds, words and phrases as well as joining in with rhymes.

### Useful websites:

### Computing:

#### Online Buddies

The aim of our computing topic is to understand how technology is used to communicate beyond school. We study the importance of online safety and how once something has been posted online, that you can lose control of what happens to it. We also look at how to communicate safely with our peers online.
