Dear parent/carer,

Well done, Year Six!

Many congratulations to our fantastic Year Six who demonstrated every one of the Newchurch Core Values last week as they completed their Statutory Assessment Tests (SATs). We are so very proud of them! They have been coming into school at 8:30 am each morning for their booster sessions and have shown such commitment to their learning. We could not have asked for more.

Siblings of the children in Year Six have also been coming into school at 8:30 am to support parents. Now that the SATs are over for Year Six, the booster sessions will no longer be taking place and so the facility of childcare for siblings from 8:30 am will no longer be available. Year Six children and their siblings should come into school in the same way as their peers and the school day will start at 8:55 am.

Rugby League World Cup mascot competition

With the Rugby League World Cup 2021 coming to Warrington later this year the organisers are looking for a talented young artist to design the mascot that will become the face of this year's three tournaments.

The competition is searching for the best mascot that encapsulates the spirit of the Rugby League World Cup. It should represent all three tournaments, be eye catching and recognisable, fun and friendly, have a great name and backstory and represent the values of the tournament.

The mascot for the men's, women's and wheelchair tournaments, will follow in the footsteps of Grubber Bear, which was the mascot the last time the Rugby League World Cup was held in the UK.

The mascot will be chosen by a RLWC2021 panel of ambassadors and announced on social media. The winning designer will receive two tickets to the Men and Women's finals day at Old Trafford on Saturday 19 November and the chance to take their entire class at school to another tournament match (excluding finals). They will also get the opportunity to visit the creative studio and see their entry brought to life as the official tournament mascot.

How our Newchurch robins can get involved?

Download the template on the RLWC page <https://www.rlwc2021.com/article/363/rugby-league-world-cup-2021-launches-mascot-design-competition> , or use their own piece of paper if they prefer. They will need to include their name, age, school and adult contact details as well as the name and backstory to your mascot. Entries can be posted or emailed to mascot@rlwc2021.com To download the full pack and more information about the competition, visit the RLWC website.

School Uniform

Thank you to those children who are in the correct uniform every day. We have noticed that there has been an increase in children wearing jewellery and trainers. Please could we ask that trainers be worn

for PE days only. Earrings should be discreet studs and necklaces and bracelets should not be worn. Not only is this for health and safety reasons, but also to ensure their precious jewellery does not get broken. Many thanks in anticipation of your support with this.

You may recall information regarding the change in our uniform provider as Cactus are no longer able to supply it. The flyer below details the costings and how to purchase uniform.
