2nd October 2023

Dear Parent/Carer,

COVID update

As you are aware from our letter last week, we saw a rise in the number of COVID cases in school. Many thanks to those parents who were vigilant of any symptoms of COVID and aired on the side of caution.

The Infection Control Policy was put in place which helped to mitigate some of the risk but unfortunately some members of staff needed to be absent from school last week. As always, the Newchurch Team rallied together to ensure that there was continuity in the children's education and there business as usual.

As staff give their time willingly to deliver the afterschool clubs, we needed to make sure that their workload was not heightened as a result of changes to staffing within the week but also this week. Therefore, we will need to delay the starting of clubs until next week (week beginning 9th October) to ensure that it is safe for children from different classes to mix and also there is sufficient staffing to deliver the clubs.

We will endeavour to send out the text messages tomorrow indicating your child's place in a club.

Many thanks for your patience and understanding.

Kindest regards,

Jayne Narraway
