Please use the following google form to make a booking: <https://forms.gle/2VtUs19twvDzRVBx8> In order to be able to communicate to you in sufficient time, please could we ask that you make a booking no later than **10am on Tuesday 7th October**. Once all the bookings have been collated, we aim to first of all ensure that all children are allocated a place on at least one club of their choice. If there are places left in other clubs they have selected, we will book them a place on that too. If your child does not get a club they have chosen, they will be placed on the waiting list.

We aim to communicate your child's place in a club no later than the end of the school day on **Thursday 9th October**. You will be notified of the club your child has been booked onto via text.

Please could we also ask you to remember that these clubs are designed to enrich the curriculum and are not intended to serve as childcare. Last year, we observed that some families were using these clubs as a substitute for after-school care, which is not their purpose.

If you require childcare at the end of the school day, please contact the office for information about Newchurch Robins.

Throughout this academic year, we will also be working with external organisations to expand our extra-curricular offerings

Yours sincerely,

Jayne Narraway

Headteacher
