

30th September 2019

Dear Parent,

We would like to invite your child to a series of sessions to support their spelling and grammar skills. We operated these sessions last year and they had a very positive impact on the children's outcomes.

The sessions will be delivered every morning (except Wednesday when we have a staff briefing) from 8:30am until 9am starting Monday 14th October until Friday 13th December and will focus on supporting your child in the acquisition of spelling and grammar strategies to aid them during their writing experiences in class. These sessions will be delivered by Mrs Narraway, Mr Duckett and Mrs Urmston then Mr Singleton will ensure they are consistently applied in class.

The sessions will be tailored to consolidating existing spelling and grammar skills to support your child in achieving the expected standard (or greater depth) at the end of Year 6. These sessions are open to **all** Year 6 pupils as a booster session and we very much hope that you will encourage your child to be part of them.

Please could you indicate on the slip below if you are happy for your child to take part in the sessions identified for them and will ensure they are in school every day (except Wednesdays) from 8:30am. If they will not be attending, please could you send the slip in to confirm this so we can create the registers and resources.

If you have any questions, please do not hesitate to contact school.

Kind regards,

Mrs Jayne Narraway

Headteacher
