Dear Parent/Carer,

As a result of consultation with parents/carers in September 2019, we moved to the current organisation of parent/carers conferences with the class teachers within the school day. The main aim of this was to reduce staff workload following the government's commitment to staff wellbeing and workload as they were historically conducted after school, following a full day of teaching and went on from 3:30pm until 9pm.

Following the pandemic and with many parents/carers working from home, this structure continued to be effective; however, we feel that it is time to review the system to ensure that parents/carers are able to attend and be updated effectively about their child's progress. We have noticed a reduction in the request for face to face meetings and therefore we would like to gather your opinions regarding future parental conferences so that you are able to be well-informed regarding the progress your child is making.

We would really appreciate as many parent/carers' responses so any decisions going forwards will be representative of the views of all the families we have at Newchurch. Please could you take five minutes to complete this googleform: <https://forms.gle/C1fjgwkDW9bA6AxF9> Please could we ask that any responses are made before **Friday 28<sup>th</sup> March**.

Finally, please find below an updated diary of dates with any changes in red for your ease of reference.

Have a lovely day.

With kindest regards,

*Jayne Narraway*
