You will notice that we have needed to change some of the age ranges for some of the more over-subscribed clubs such as Homework Club as facilitating support across all classes is not effective.

Each club will run from 3:15pm until 4pm. Please use the following form to make a booking:
<https://forms.gle/bsAqQ78CEGP86yj38> In order to be able to communicate to you in enough time, please could we ask that you make a booking no later than 10am on Tuesday morning (even though the form says noon Monday 14th April).

Once all the bookings have been collated, we aim to first of all ensure that all children are allocated a place on at least once club of their choice. If there are places left in other clubs they have selected, we will book them a place on that too.

We aim to communicate regarding the place your child's place in a club no later than the end of the school day on Wednesday, but please be mindful of the reduced capacity in the office this half term.

Please could we also ask you to remember that these clubs are to enrich the curriculum and are not an option for childcare as some families are putting their children in the clubs as a means of childcare which is not what we are offering. Should you require child care at the end of the day, please see the office for details of Newchurch Robins.

With kindest regards,

Mrs J Narraway
